Please see the Legislative Assembly question at p 1 c. Though the Memo at p 3 c was addressed to the Bd of Rev and a copy sent to the Collector of South Kanara, the Coll has sent the reply direct. It does not seem necessary to await a report from the Board

The figures furnished by the Collector are slightly different from the figures in the statement at ② furnished by the Bd of Rev in another connection. This is apparently because the statement at ② refers only to wells sunk under comprehensive scheme and the Collector's figures may cover wells sunk under other schemes (e.g Harijan Welfare schemes)

A draft answer ~~and a draft note~~ is submitted below for approval. As the question is unstarred, no note for supplementary questions, is necessary
